

Academic Advising and Course Planning Session

Course planning worksheet

List your major: _____ BS or BA: _____

In the first column on the chart identify which area/s the course is addressing.

Why am I taking this course?	Prefix and course #	Course title	Credit hours
Graduation requirement ASU 101	LIA 101	Student success	1

List two discovery seminars you find interesting: _____

Indicators for class registered

University (or graduation) requirement (LIA, ENG)

General studies (list area: HU, SB, MA, SQ, SG, CS, L, C, G, H)

College requirement

Critical course

Major course

Specific program requirement (LEAD, honors, Early Start, ROTC, Spirit, etc)

Elective

Do you have additional prior credit that is not on your academic information worksheet?

Yes _____ No _____

If yes, email these courses to your academic advisor immediately after our session.

My advisor's name and email: _____

Questions I need to ask my advisor: _____

If you do not know your advising appointment time and Zoom link, please email Tanya Marun at Tanya.Marun@asu.edu with your name and student ID number (10digits).

Next steps:

- Complete all current new student experience tasks and any future tasks as they become available.
- Send in test scores and transcripts for dual enrollment courses as soon as completed.

- My ASU Priority Tasks.
- Start checking your ASU email.
- Contact an academic advisor with any questions prior to semester and for schedule changes.

Terminology

Block: A set of courses linked together in which a group of students are enrolled. Block courses are added and dropped as group.

Critical course: A degree requirement that the faculty have identified as a critical predictor of success in a specific major.

Dual enrollment: College level courses that were taken while still completing high school. Transcripts must be sent directly to ASU from the college to receive ASU credit.

Lower division courses: 100- and 200- level courses.

Prerequisite: A course or test score that is required prior to enrolling in the course in question.

Semester/term: ASU's academic year is divided into 3 terms. Fall (August – December), spring (January – May) and summer (May – August). Courses will run within the term and registration is separate for each term.

Session A, B, and C: Session designates the length of the course within the term. Session A is the first half of the term, Session B is the second half of the term and Session C courses run the entire term.

Temporary override: Allows students to enroll in a course that needs a prerequisite that is in progress or not sent to ASU at the time of registration. If the prerequisite is not in the student's record by the override expiration date, the student will be dropped from the course.
