• At least 6 credit hours of Science and Society Courses must be completed.
• Students must receive a grade of C or better in courses used to satisfy the Science and Society requirement.
• At least 3 credit hours must be from upper division courses (numbered 300-499).
• Courses listed under omnibus (194, 294, 394, etc.) or special topics course numbers (e.g., ENG 469) must match the course title shown on this list to be used for the Science and Society requirement.

PLEASE NOTE: The courses below reflect courses that were scheduled to be taught as of the date in the upper right hand corner of this list. Please check the online Schedule of Classes and work with your academic advisor to determine the best choice of courses for you. Because we cannot continuously update the list some courses may fill or be cancelled as the registration period progresses.
